

You're Never Alone! Don't Be A Single Pilot

At this seminar we will look at Single Pilot Resource Management. We will discuss what resources are available to pilots as well as how pilots can manage them. We will look at Aeronautical Decision Making (ADM) and some techniques to help with it such as PAVE, the 5 P's, and IMSAFE. Under Risk Management, we will look at Personal Minimums as well as some techniques for Risk Assessment. Lastly we will talk about CFIT Awareness and Situational Awareness, then go through several Mishap Scenarios. Don't miss this exclusive event. Click on the link below and register TODAY.

Directions: This presentation will be held on the first floor at the Fixed Base Operator (FBO) facility.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
