

PHL FSDO Flight Instructor Open Forum & Meeting

The PHL FSDO has quarterly meetings & discussions on issues facing pilots and instructors, not only nationally, but also in the local area. We are looking to have active instructors, of all experience levels, join us in the discussion and learn some best practices. This is also a great opportunity to meet today's & tomorrow's aviation professionals.

What are the challenges in teaching Glass Panel, or for teaching "Basic Flying" skills to a person trained or ingrained into glass panels. Attend this meeting to find out. Click on the link below and register TODAY.

Directions: PLEASE PREREGISTER. Meeting will be held at Suite 110, PHL FSDO
