

DNC to Bust or Not to Bust

At this seminar we will look at Temporary Flight Restrictions (TFRs). We will discuss what notifications and alerts are available to pilots as well as how pilots can sign up for them. We will specifically address the Democratic National Convention (DNC) TFR. We will use interactive scenarios to illustrate how or whether pilots should fly into and out of area airports such as Doylestown, Northeast Philadelphia, and the Flying W during this TFR. We will also look at flight planning strategies and in-flight protocols for operating near TFRs. Lastly, we will look at task management and in-flight "Gotchas" with avionics and Electronic Flight Bags (EFBs).

Directions: See map for directions to the Jet Center. This presentation will be held on the second floor at the Fixed Base Operator's (FBO) facility. Aircraft parking available on ramp at the Jet Center.
