

New Castle Airport (KILG) Runway Safety Action Team Meeting

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at KILG Airport involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. This meeting is held in conjunction with KILG ATC, FAA Safety Team, Philadelphia FSDO, DRBA, Delaware Air National Guard, and all airport users, to include airport management, airport tenants, local flight schools and pilots. Further discussed will be ongoing airfield construction projects. Don't miss this meeting. Click the link below and register TODAY!

Directions: Enter KILG from Route 13 toward Flight Safety International and the Main Terminal. You will need to proceed to the Dassault Falcon Jet Security Gate. Proceed through the security gate and follow the road past the Dassault Facility, (which will stay on your left) and into DuPont Aviation.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
