

You Call That a Preflight- Come See What You Could Be Doing

The first presentation, how to find a problem, will highlight and discuss methods of pre-flying an aircraft while emphasizing additional techniques and methods.

The second part of the presentation, if you can correct it, will cover aspects of preventative maintenance, including:

- The definition preventive maintenance
- Persons authorized to perform preventive maintenance
- Maintenance record entries
- Performance rules (general)
- List of Preventive Maintenance work

Directions: This presentation will be held on the first floor at the Fixed Base Operator (FBO) facility.
