

Will WINGS Help Me Fly?

Have you ever wondered what the WINGS program is? Are you curious why you should participate?

This seminar is for you! It will focus on the WINGS program and include:

What the WINGS Program is:

Is it effective?

How is it structured?

What are the benefits?

How does it work for pilots?

How does it work for instructors?

Directions: Delaware State University- Seminar will be held in the education & Humanities Building . The personnel at the front gate will direct you to the Education & Humanities Building. Once inside look for signs to the theater.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
