

# Philadelphia FSDO Runway Safety Action Team Meeting

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. This meeting is held in conjunction with all airport users, to include airport management, airport tenants, local flight schools and pilots. Don't miss this meeting. Click the link below and register

**Directions:** See map for directions.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
