

What About That ADS-B Stuff for My Aircraft

Bart Ritorto and Don Ginsberg from Ocean Aire Avionics will provide a presentation on the many facets of ADS-B for aircraft owners, pilots and mechanics. For more information sign up and register for this event. By the time this seminar concludes you will know what ADS-B is and how it works. If you need it for your aircraft, you will find out about equipment choices, costs, what is meant by ADS-B "In" and "Out", and other useful information

Directions: This presentation will be held on the first floor at the Fixed Base Operator (FBO) facility.

See Map Link

Inclement Weather* If there is a chance of snow/ice or other inclement or dangerous weather conditions the seminar may be rescheduled. A decision will be made by 1500 the day of the seminar. Please call 610-595-1500 ext 240 and listen to the voice message. It will be updated if there is a cancelation.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
