

FAA Safety Team and the Philadelphia FSDO presents:

New Castle Airport (KILG) Runway Safety Action Team Meeting

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at KILG Airport involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. This meeting is held in conjunction with KILG ATC, FAA Safety Team, Philadelphia FSDO, DRBA, Delaware Air National Guard, and all airport users, to include airport management, airport tenants, local flight schools and pilots. Further discussed will be ongoing airfield construction projects. Don't miss this meeting. Click the link below and register TODAY!

Directions: Enter KILG from Route 13 and park in front of the main terminal.
