

FAASTeam and PHL FSDO 17 presents:

# **!!DATE CHANGED!! Pilot Awareness and Local Airspace Navigation including TFRs**

**\*\*DATE CHANGED\*\* \*\*NO SEMINAR AT THE FLYING W ON APRIL 9th\*\*** This 2 hour

presentation will review the fundamental procedures to help reduce midair collision hazards when operating in the local airspace. Pilot Awareness can mitigate those risks inherent in conducting flight operations in a specific environment.

McGuire Air Force Base Military Safety Personnel will provide important information concerning local airspace composition and procedures to comply with during military intercept of a aircraft. In addition, we will discuss TFR procedures and tips.

**Directions:** See Map Link. Seminar will be held on the first floor of the FBO.
