

FAASTeam presents:

Is There a Ramp Check in your Future!

This will be an interactive presentation conducted by an FAA Aviation Safety Inspector on the mysterious subject of ramp inspections and what you should expect if you experience one. During this presentation, the following subjects will be covered: What is a ramp inspection Why do they occur Learn what Airworthiness Means Understand who is responsible for the airworthiness of the aircraft you fly Know to carry out that responsibility How does an inspector prepare for an inspection What should you do when approached by an Inspector Scenarios Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.
