

The FAA's Drug and Alcohol Program

The FAA's DUI/DWI Program was established in 1990 to provide regulatory oversight of pilots with a history of alcohol and/or drug-related motor vehicle incidents.

Topics to be covered include pilot drug and alcohol reporting requirements, including the significance of these requirements

Directions: Park in the "Student Parking East" prior to making your way to the Communications Building (Labeled CM).

A message from the National FAASTeam Manager
