

Vintage Aircraft Replacement and Modification Program VARMA

Scott Fohrman from the Chicago Aircraft Certification Branch will be doing a presentation on the Vintage Aircraft Replacement and Modification Program VARMA.

This program is indented to help owners and operators of vintage aircraft (certificated before Jan 1, 1980, fixed wing, unpressurized, under 12,500 lbs with a reciprocating engine) find and use replacement parts or processes, when the parts are no longer available, obsolete and out of production.

You are invited to the following ZoomGov Webinar provided by FAVES. Optional ways to join are:
