

Navigating Pop-Up Temporary Flight Restrictions

Navigate the pop up Presidential Temporary Flight Restrictions [TFR] and avoid the dreaded intercept.

During this seminar we'll discuss in detail TFRs

We will further review the conditions under which the FAA may establish a flight limitation or TFR area, how to find more information regarding TFRs, and where you find out if a TFR has been issued for a specific area, and what are the consequence(s) of having a deviation into a TFR.

We will also have guest speakers from the ACY ATC joining us.

Follow Signs to the Museum.

A message from the National FAASTeam Manager
