

Airworthiness - Positive Safety Culture- Hybrid Event

This Program will provide Pilots, Maintenance Personnel, and the Aviation Community with awareness of risks associated with failing to follow maintenance procedures, and prevention of contributing or causal factors to reduce maintenance errors. The program will explore relevant maintenance regulations, maintenance performance standards, inspections, Service Bulletins, AD's, accident statistics, airworthiness, human error, and safety nets.

In this program attendees will gain a better understanding of aircraft maintenance, airworthiness, and the positive safety culture needed to reduce maintenance errors.

This is a Hybrid Program presented in Person and Virtually. The virtual link will be sent out in a separate SPANS.
