

New Castle Airport (KILG) Runway Safety Action Team Meeting- Hybrid Meeting

Event Details

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety and TFR Compliance at KILG Airport involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. This meeting is held in conjunction with KILG ATC, the FAA Safety Team, the Philadelphia FSDO, DRBA, Delaware Air and Army National Guard, and all airport users, to include airport management, airport tenants, local flight schools and pilots. Further discussion during the RSAT Program will be the impact of ongoing airfield construction and improvement projects. Don't miss this yearly meeting.
