

The FAA Safety Team presents:

FAASTeam CFI Workshop #8

Begin or continue the Workshop Series with this Core Topic; " Pilot Deviations / Runway Incursions". Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Don't miss this important event!

Directions: Second Floor Conference Room.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
