

## Virginia Regional Festival of Flight

Don't miss this exciting safety seminar. This will include the history of Lycoming engines and segway into technical information. This information will be presented by a representative from Lycoming. Maintenance personnel will earn credit toward the FAA Safety Team AMT Awards program. This seminar will be held in Tent 1 from 10:00 AM to 11:00 AM. Click on the link below and register today!

**Directions:** The event is located three miles South of the city of Suffolk. From US-58 By-Pass, take US-13 South to Airport Road on the left. The Festival of Flight is on the left. Please see the "Additional Seminar Information" for Drive-in and Fly-in links.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
