FAASTeam presents:

Selecting the Right Approach

Most instrument pilots will select an instrument approach at their destination based on which approach has the lowest minimums. There are other considerations that pilots should use when selecting the best approach. This seminar offers a set of criteria for selecting the best approach and applies them to a set of realistic scenarios. Don't miss this exclusive event. Click on the link below and register TODAY.

Directions: The Seminar will be held in the "Robins Nest" in between JLS Aviation and the Shannon Airport FBO. Enter through the Flight School side.

Event Details

Sat, Jan 17, 2015 - 10:00 EST
Shannon Airport FBO
3380 Shannon Airport Circle
Fredericksburg, VA 22405
