

## Beech Aero Club Flight Ops: Emergency procedures

We will review POH emergency chapters and the discuss past emergency experiences. We will also address emergencies, quick descents, engine failures at low altitudes and overwater preparation. This webinar is for Beech Aero Club members only.

**Directions:** Beech Aero Club member live webinar.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
