

RIC FAAS**T**eam presents:

# IMC Club - Mastering the Art of Instrument Navigation

The first hour will be a presentation on the topic of FAA enforcement actions and other topics in aviation law that would be of interest to any general aviation pilot. The presentation itself will not cover the full hour so as to allow for questions that pilots may have. The second hour will be a discussion of real world IMC scenarios.

This event will be a monthly meeting of the Fredericksburg Chapter of the IMC Club. The IMC Club, through its nationwide chapters, provides organized hangar flying, focusing on building proficiency in instrument flying. Safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. At this month's meeting we will discuss Real-World Instrument Scenarios and how you can mitigate the risk of your instrument flying. You do not have to be instrument rated to attend. Click on the link below and register TODAY.

**Directions:** Shannon Airport is located off Tidewater Trail, which is also SR 2/17. Enter on Shannon Airport Circle and park anywhere in the parking lot. The Robins Nest Cafe sign is clearly visible from the parking lot. Enter through the door to the left of the sign.

## Event Details

**Wed, Feb 17, 2016 - 19:00 EST**  
**Robins Nest Cafe at Shannon**  
**Airport**

3380 Shannon Airport Circle  
Fredericksburg, VA 22408
