

# Mastering the Art of Instrument Navigation

The IMC Club provides organized “hangar flying” focused on sharing and building proficiency in instrument flying at our monthly meetings. Safety and proficiency are developed through education and experience using real world scenarios. We will discuss real-world instrument scenarios.

Learn how to reduce hazards and mitigate risks when you are instrument flying. You do not have to be instrument rated to attend. Click on the link below to register TODAY!

**Directions:** Located off Broad Street, about 1 mile from I-64. Take the Gaskins Road North exit off of I-64, turn left on Mayland Drive, Go around the Commander Road circle until you see Deep Run 3. Park in the lot nearby. We will meet by 6:30 pm. on the main floor. Duration of event is two hours. If you are late and the group has already gone up to the meeting room, call either Rick (804-564-3233) or Rob (804-523-0137) to have someone bring you to the room!

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
