

FAASTeam presents:

# **Roanoke/Blacksburg Regional Airport (Woodrum Field) Runway Safety Action Team Meeting**

Runway incursions remain a serious concern nationally. One important component of our ongoing efforts to improve surface safety at the Roanoke-Blacksburg Airport involves conducting a Runway Safety Action Team (RSAT) meeting at least once each year. This meeting is held in conjunction with all airport users, to include airport management, airport tenants, local flight schools and pilots. Your participation is important and your input is welcomed. Please RSVP to Roanoke Support Specialist Kurt Erath at [kurt.erath@faa.gov](mailto:kurt.erath@faa.gov). Include the name, organization, phone number and email address of those who will be attending. For WINGS or AMT Awards credit, click the link below and register TODAY.

**Directions:** Take US-220/I-581 to Exit 3 East (Hershberger Road). Drive to Aviation Drive. The meeting will be at the Air Traffic Control Tower downstairs.
