

Shot Down? - or - Do You Just Land That Away?

As spring arrives, and you wish to venture for those hundred dollar hamburgers, attend this seminar and let's brush up on those takeoff and landing techniques. All runways and airports are not created equal. Let's discuss and review some basic procedures that may help you avoid being talked about at the next safety meeting.

Don't miss this exclusive event. Click on the the link below and register TODAY.

Directions: Please consult mapping software or GPS for directions. The meeting will be held in the Main Terminal Building from 7:00 p.m. to 9:00 p.m.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
