

IMC - Mastering the Art of Instrument Flying

The IMC Club provides organized “hangar flying” focused on building proficiency and safety in instrument flying. We will discuss real-world instrument scenarios and how you can mitigate the risk of your instrument flying. Safety and proficiency are further developed by pilots sharing their knowledge and experiences. You do not have to be instrument rated to attend.

Click on the link below to register TODAY!

Directions: Located off Broad Street, about 1 mile from I-64. Take the Gaskins Road North exit off of I-64, turn left on Mayland Drive, Go around the Commander Road circle until you see Deep Run 3. Park in the lot nearby. We will meet by 6:30 on the main floor. If you are late and the group has already gone up to the meeting room, call either Rick (804-564-3233) or Rob (804-523-0137) to have someone bring you to the room!

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
