

## Winter Flying - Frosty the Snowman meets Steve Canyon

The topic will be "Winter Flying". A review of best practices to keep us out of trouble during the cold, icy, snowy winter months. We will discuss preparation including risk assessment, preflight, pre-and post-flight ground operations, in-flight risk management, weather changes, and common hazards of the season. The seminar will consist of 2-40 minute segments with a break in between.

**Directions:** Follow VA 199 to Brookwood Drive. Turn onto Brookwood Drive and then take a left onto Lake Powell. Follow Lake Powell and take a left onto Marclay Road. The airport terminal is at the end of the road.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
