

## IMC - Mastering the Art of Instrument Flying

The IMC Club provides organized “hangar flying” focused on building proficiency and safety in instrument flying. We have very engaging discussions of real-world instrument scenarios, how to mitigate the risk of instrument flying, with pilots also sharing their knowledge and experiences. You do not have to be instrument rated to attend.

**Directions:** Plenty of parking. The meeting starts at 6:30 in a conference room inside the main entrance. Any questions, contact Rick Solana (804-564-3233; [solana9@gmail.com](mailto:solana9@gmail.com)).

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Join us on Facebook: <https://www.facebook.com/groups/GASafety/>  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
