

FAASTeam presents:

VENUE CHANGE - Manassas Virginia Regional Helicopter Safety Stand-Down

Attention all helicopter Managers, Mechanics, and Pilots! Join us for the very latest information on the safety issues facing the rotorcraft industry presented by some of the top industry experts in their field. A panel of experts from Manufacturers, Helicopter Safety Alliance, FAASafety Team, and the FAA will discuss local issues affecting helicopter pilots, accident trends, safety initiatives, and many more topics relevant to all operators. This is going to be an extraordinary gathering of the rotorcraft community in one place. Don't miss this unique opportunity to learn, share with your peers, ask questions, and have your voice heard. What you learn may save your life!

The all-day event will be held at the Manassas Regional Airport in Manassas, VA.

Directions: The Manassas Regional Airport is located at 10600 Harry J. Parrish Boulevard, Manassas, VA 20110. This seminar will be held in the Administration Building. Registration, coffee, and pastries from 7:30 - 8:30 am.

A message from the National FAASafety Team Manager
