

RIC FSDO presents:

CFI/DPE Forum

In this presentation we'll talk a little bit about Loss of Control Accidents and recommendations from a work group that studies loss of control. We'll define and discuss stabilized approaches and go-arounds. Finally we'll give you some tips and tricks that will help you to avoid loss of control in any aircraft.

Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

Directions: This seminar will be held in the Airport Terminal "Banquet Room". As you enter the terminal, go past the "Welcome Desk" and it is the last room down the hall.

A message from the National FAASafety Team Manager
