

FAASTeam presents:

# **Less Than 2 Week Away!! 2020 IA Seminar - Safety Starts in the Hanger**

The safety of any flight begins with a properly maintained aircraft. At this seminar, we will learn the many aspects that figure into providing a properly maintained aircraft. We will have presenters from Textron Aviation, Wilkerson Tire, Zook Aviation, Champion Aerospace, Corrosion X, Lycoming Engines, and Rapco. Registration starts at 0700; the seminar runs from 0800 to 1700. Lunch will be provided. Please RSVP to the following email: [jeff.taylor@doav.virginia.gov](mailto:jeff.taylor@doav.virginia.gov) to reserve a lunch.

**Directions:** This seminar will be held at the Virginia Department of Aviation's aircraft hangar. The hangar is located across from the Richmond Airport's FAA Air Traffic Control Tower, on Gulfstream Road. If you are traveling on I-64 either east or west bound, take the Route 156 exit south, "Airport Drive". Follow Airport Drive past Route 60, Williamsburg Road, and take your first left and an immediate right onto Huntsman Road. Follow Huntsman Road to the stop sign and take a left on Clarkson Road. Follow Clarkson Road to the stop sign and take a left on Gulfstream Road. You will see the Air Traffic Tower on your left and the Virginia Department of Aviation's buildings on your right (5702 Gulfstream Road). Enter the building named "Passenger Terminal"; the hangar is attached to the back of this building.
