

IMC Richmond - Mastering the Art of Instrument Flying

The IMC Club provides organized “hangar flying” focused on building proficiency and safety in instrument flying. We have very engaging discussions of real-world instrument scenarios, with pilots also sharing their knowledge and experiences. You do not have to be instrument rated to attend.

Directions: Plenty of parking. We meet in the conference room on the second floor. Any questions, contact Rick Solana (804-564-3233; solana9@gmail.com).

A message from the National FAASTeam Manager
