

Winter Operations and Safety on the Ground

During the first hour we will discuss winter procedures for taxiing, takeoff, cruise, landing and securing the aircraft. We will explore those procedures and "best practices". During the second hour we will discuss how to assuring safe operations while taxiing, maneuvering and parking before and after flight. "Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines."

Directions: Take VA 199 to Brookwood Drive. Then a left to Lake Powell Road. Then a left to Marclay Road. The airport is at the end of Marclay Road. This seminar will be held in the airport terminal building upstairs.
