

Sweat the Small Stuff - Enhancing Aircraft Preflights

An in-depth discussion designed to enhance knowledge beyond the standard preflight and describe additional items and techniques that can be added to the aircraft preflight in order to reduce risk.

We are pleased to announce that the FAA Wright Brothers Master Pilot Award will be awarded to a Blacksburg area pilot during this event.

This seminar will be held in the main lobby of the airport terminal. If special accommodations are needed, please contact Elizabeth (under contact information) for assistance. If driving, park in the lot in front of the main terminal building and enter through main doors.

A message from the National FAASTeam Manager
