

IMC Richmond - Mastering the Art of Instrument Flying

The IMC Club provides organized “hangar flying” focused on building proficiency and safety in instrument flying. We have very engaging discussions of real-world instrument scenarios, with pilots also sharing their knowledge and experiences. You do not have to be instrument rated to attend.

Plenty of parking. We meet in the conference room on the second floor. Any questions, contact Rick Solana ([804-564-3233](tel:804-564-3233); solana9@gmail.com).

A message from the National FAASTeam Manager
