

# IA Refresher Course at Rochester WINGS

FAA accepted 8-hour IA Refresher Course presented by various industry vendors and manufacturers. Course meets the IA renewal requirements mandated by 14 CFR 65.93(a)(4). The course also meets the training requirements of the FAAs AMT Awards Program. Don't miss this exciting opportunity to interact with the numerous industry vendors, manufacturers and FSDO Inspectors. Register today!

**Directions:** Exit 17 off I-390, turn right, proceed to 1295 Scottsville Road, meeting in Hangar 7.

## A message from the National FAASafety Team Manager

The new WINGS–Pilot Proficiency Program is great! Check it out now!

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
