

FAASteam CFI Workshop Module 3

Continue the Workshop Series with these Core Topics; Sport Pilot and IACRA. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Don't miss this important event!

Directions: FAA FSDO Office is located off Brooks Ave. in the US Airports Bldg, first floor.

A message from the National FAASteam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
