

The FAA Safety Team & BUF ATC presents:

Are You Up To Speed?

Don't miss this exclusive briefing at the Lancaster Airport presented by featured speaker Dave Holland of the Buffalo Air Traffic Control (ATC) Tower. Dave will discuss arrival and departure procedures at Lancaster, avoiding pilot deviations in the Buffalo Class C airspace and the many services available to local pilots from the Buffalo ATC facility. Don't miss this unique opportunity to refresh your skills and interact with your local ATC!

Directions: Hangar West of terminal.

A message from the National FAASafety Team Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
