

The FAA Safety Team & ROC FSDO presents:

# Rotorcraft Safety Summit at New York's Largest Aviation Expo

We are excited to announce that this year's Rochester WINGS 2012 event will feature the annual Helicopter Safety Summit. We have joined with the Helicopter Association International to address safety and risk management for all helicopter operators to include Helicopter Emergency Medical Services, Law Enforcement, helicopter tour operators, Electronic News Gathering operators, helicopter flight schools, helicopter technicians and private helicopter pilots. <http://www.rochesterwings.com/>

**Directions:** Exit 17 off I-390, turn right, proceed to 1295 Scottsville Road, meeting in Hangar 7.

## A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
