

The FAA Safety Team & Potomac TRACON presents:

Potomac TRACON Operation Raincheck PM Session

Potomac TRACON brings back a modified Operation Raincheck event. Attend a briefing about ATC operations in the DC metro area, ask questions of FAA management, controllers, FSDO, Flight Service and security elements. Observe ATC traffic simulations and take a brief tour of the 3rd busiest approach control facility in the United States!

Event is open to pilots and their guests age 12 and older. ALL PILOTS AND GUESTS MUST BE U.S. CITIZENS and have government issued photo identification.

All pilots and their guests must be registered. Walk-ups will be turned away.

Demand for this event will exceed capacity. If you remain registered and do not attend you will be taking a seat away from someone else. If you become aware that you or any of your guests will not be able to attend, please re-visit this web page and cancel the registration of you and/or your guest(s). If this event shows full please check back often as canceled reservations are made re-available. After close of business Wednesday, October 10th, 2012 no new registrations will be accepted.

Directions: There is a very small visitor parking lot located outside the fence. Please park in the visitor lot, or on MacIntosh Dr or Vint Hill Pkwy.
