

IA Refresher Course at Rochester Safety Stand Down 2014

FAA accepted 8-hour IA Refresher Course presented by various industry vendors and manufacturers. Get the latest information on new technology, regulations and policy. Course meets the Inspection Authorization (IA) renewal requirements mandated by 14 CFR 65.93(a)(4). The course also meets the training requirements of the FAA Aviation Maintenance Technician (AMT) Awards Program. Don't miss this exciting opportunity to interact with the numerous industry vendors, manufacturers and FSDO Inspectors. Click on the link below to see all the details and register TODAY to reserve your seat!

Directions: Exit 17 off I-390, turn right, proceed to 1295 Scottsville Road, meeting in Hangar 7.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
