

What Kind of Pilot Runs Out of Gas?

Featured speaker Mike Adams, Vice President of Underwriting at Avemco Insurance Company and a past President of the Oregon Pilots Association has a chilling message! What kind of a pilot runs out of gas? Only a careless pilot? Mike will share his own story and reveal how easily the scenario of an empty fuel tank can ruin a beautiful flight. Even the best pilots can fall victim to fuel mismanagement! Attend this exclusive briefing featured at the Rochester Safety Stand Down 2014 event! Click on the link below to see all the seminars and activities at this exciting annual event and reserve your seat TODAY! Also, follow us on Facebook at <https://www.facebook.com/events/624097751003377/>

Directions: Take the NYS Thruway to Exit 46, proceed I-390N to Exit 17, turn right, proceed to 1295 Scottsville Road.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
