

Monthly HANGAR FLYING SAFETY Meeting

There's no stopping it - Winter is coming! Complete with all the challenges it brings for safe and fun flying. At this informative briefing we'll discuss all of these challenges including aircraft performance, surface operations, cold weather preflight, take off and landing techniques for various runway conditions, proper clothing and survival strategies in the event of an off airport landing. We want to hear from you. Bring your experiences and observations to share with the group. As always, free snacks and soft drinks courtesy of True Course Flight School!

Directions: Meeting in TRUE COURSE FLIGHT SCHOOL hangar.
