

SSF Flight Instructor Refresher Course at Harris Hill, NY

Flight Instructor Refresher Course (FIRC) conducted by the Soaring Safety Foundation Director / Instructor Burt Compton. This course is open to all instructors seeking to renew their flight instructor certificate and is not restricted to glider flight instructors. This is a 2-day event and successful completion can be used to renew the CFI certificate. Please click on the links below to see detailed information for this special event. We'll see you there!

Directions: National Soaring Museum Conference Room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
