

Virtual National Aviation Safety Stand Down

A safety stand down is an event at which pilots gather to learn new information, refresh already learned information, and to engage in discussion with safety experts and fellow pilots. This live webinar format event is presented by the Advocates for Aviation Safety Foundation, Inc. and features three main live presentations from experts in their fields. A live discussion will take place following each presentation and attendees will be able to ask questions and make comments. Please click on the link below to view all of the details and register today!

Directions: This is an online event. View from wherever you are with a high-speed internet connection. Please note the time for your location: 11:30 AM EDT, 10:30 AM CDT, 9:30 AM MDT, 8:30 AM PDT, (1530 UTC).
