

Flight Safety Conference of Western New York

Don't miss the first Annual Flight Safety Conference of Western New York! This exciting event will feature 3 exciting topics from 3 expert speakers, the conference will focus on safety in general aviation. Buffalo ATC will be speaking on ATC services and features, Kevin Rose from Rose Aviation will speak on preflight and preventative maintenance, and Peter Treichler will be speaking on a few special emphasis areas. We will also have CFI's volunteering their time to go over inflight emergency procedures in your airplane! You must be present to sign up, slots are limited. Click on the link below for additional details and to register today! We'll see you there!

Directions: Rose Aviation Maintenance Hangar.
