

The FAA Safety Team presents:

Flight Instructor Open Forum

At this open forum, we will discuss Teaching with Tablet Technology. The purpose of this Flight Instructor Open Forum is to stimulate discussion regarding EFB – Electronic Flight Bag, which is any electronic tablet, phone or other capable of providing Current Aeronautical Charts, Moving Map, Flight Planning, Weather or Traffic Displays.

We will discuss the best practices in teaching with reference to tablet computer hardware and software. Do not miss this opportunity to discuss the methods, techniques, and challenges involved in tablet technology. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY.

Directions: At the BUF Airport, just off Aero Drive at Mercy Flight's main location classroom in the former Flying Tigers Restaurant building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
