

Western New York CFI Open Forum

According to NTSB, there have been a disturbing number of individual incidents of noncompliant behavior, intentional misconduct, or lack of commitment to essential tasks. What do you do to guide student behavior? At this FAASTeam Flight Instructor Open Forum we will explore this complex topic to better prepare our students. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

Directions: The meeting will be held in the Mercy Flight Classroom.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
