

FAASTeam presents:

Rochester FSDO 2018 Inspection Authorization Refresher Seminar

This year's meeting will consist of an FAA accepted eight (8) hour IA Refresher Course presented by various industry vendors, manufacturers and FAA personnel. The course meets the IA renewal requirements for your 2017-2019 IA renewal as mandated by 14 CFR part 65.93(a)(4). The course also meets the training requirements of the FAA Aviation Maintenance Technicians (AMT) Awards Program in accordance with AC 65-25 and counts for 8 hours of maintenance training. Personnel from the Rochester FSDO will be taking part in a question and answer session during the meeting. Please submit any questions you may have to William Abbott, FAA Safety Team Program Manager, by March 1, 2018 at william.abbott@faa.gov.

Directions: Take Route 390 to exit 17 (Scottsville Rd.) to the general aviation side of the Rochester Airport (ROC). Go to USAirports Hangar # 7 (1295 Scottsville Rd.)

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
