

Niagara Falls International Airport Pilot/Controller Forum

This event is an open discussion for any and all pilots in and around the Niagara Falls Intl. Airport (IAG). This event will include discussion on a newly designated hot spot on the airport and recent runway incursions. We will also be discussing controlled airspace best practices for the Niagara Falls/Buffalo area. The forum will allow attendees to ask questions to local air traffic controllers about ground movement on the airport as well as any questions regarding airspace around the airport.

Directions: The location for this event is at the Niagara Aerospace Museum which is the old airport terminal at 9990 Porter Road just below the airport control tower. Parking is free.
