

# "Incremental Flight Mastery"

The CFI job is to get out of the airplane, one step at a time!

Present "achievable" goals  
for each lesson your  
learner can  
master and "own" as "PIC"

Learner "solos" to  
Practice area w/CFI

Basic turns  
Climb/descent/config.

Basic Controls  
Defeat "driving!"

Learning From Experience Requires Careful Effort!

We naturally "optimize & normalize"  
Learning well is an acquired skill!
